

QUIXOTIAN

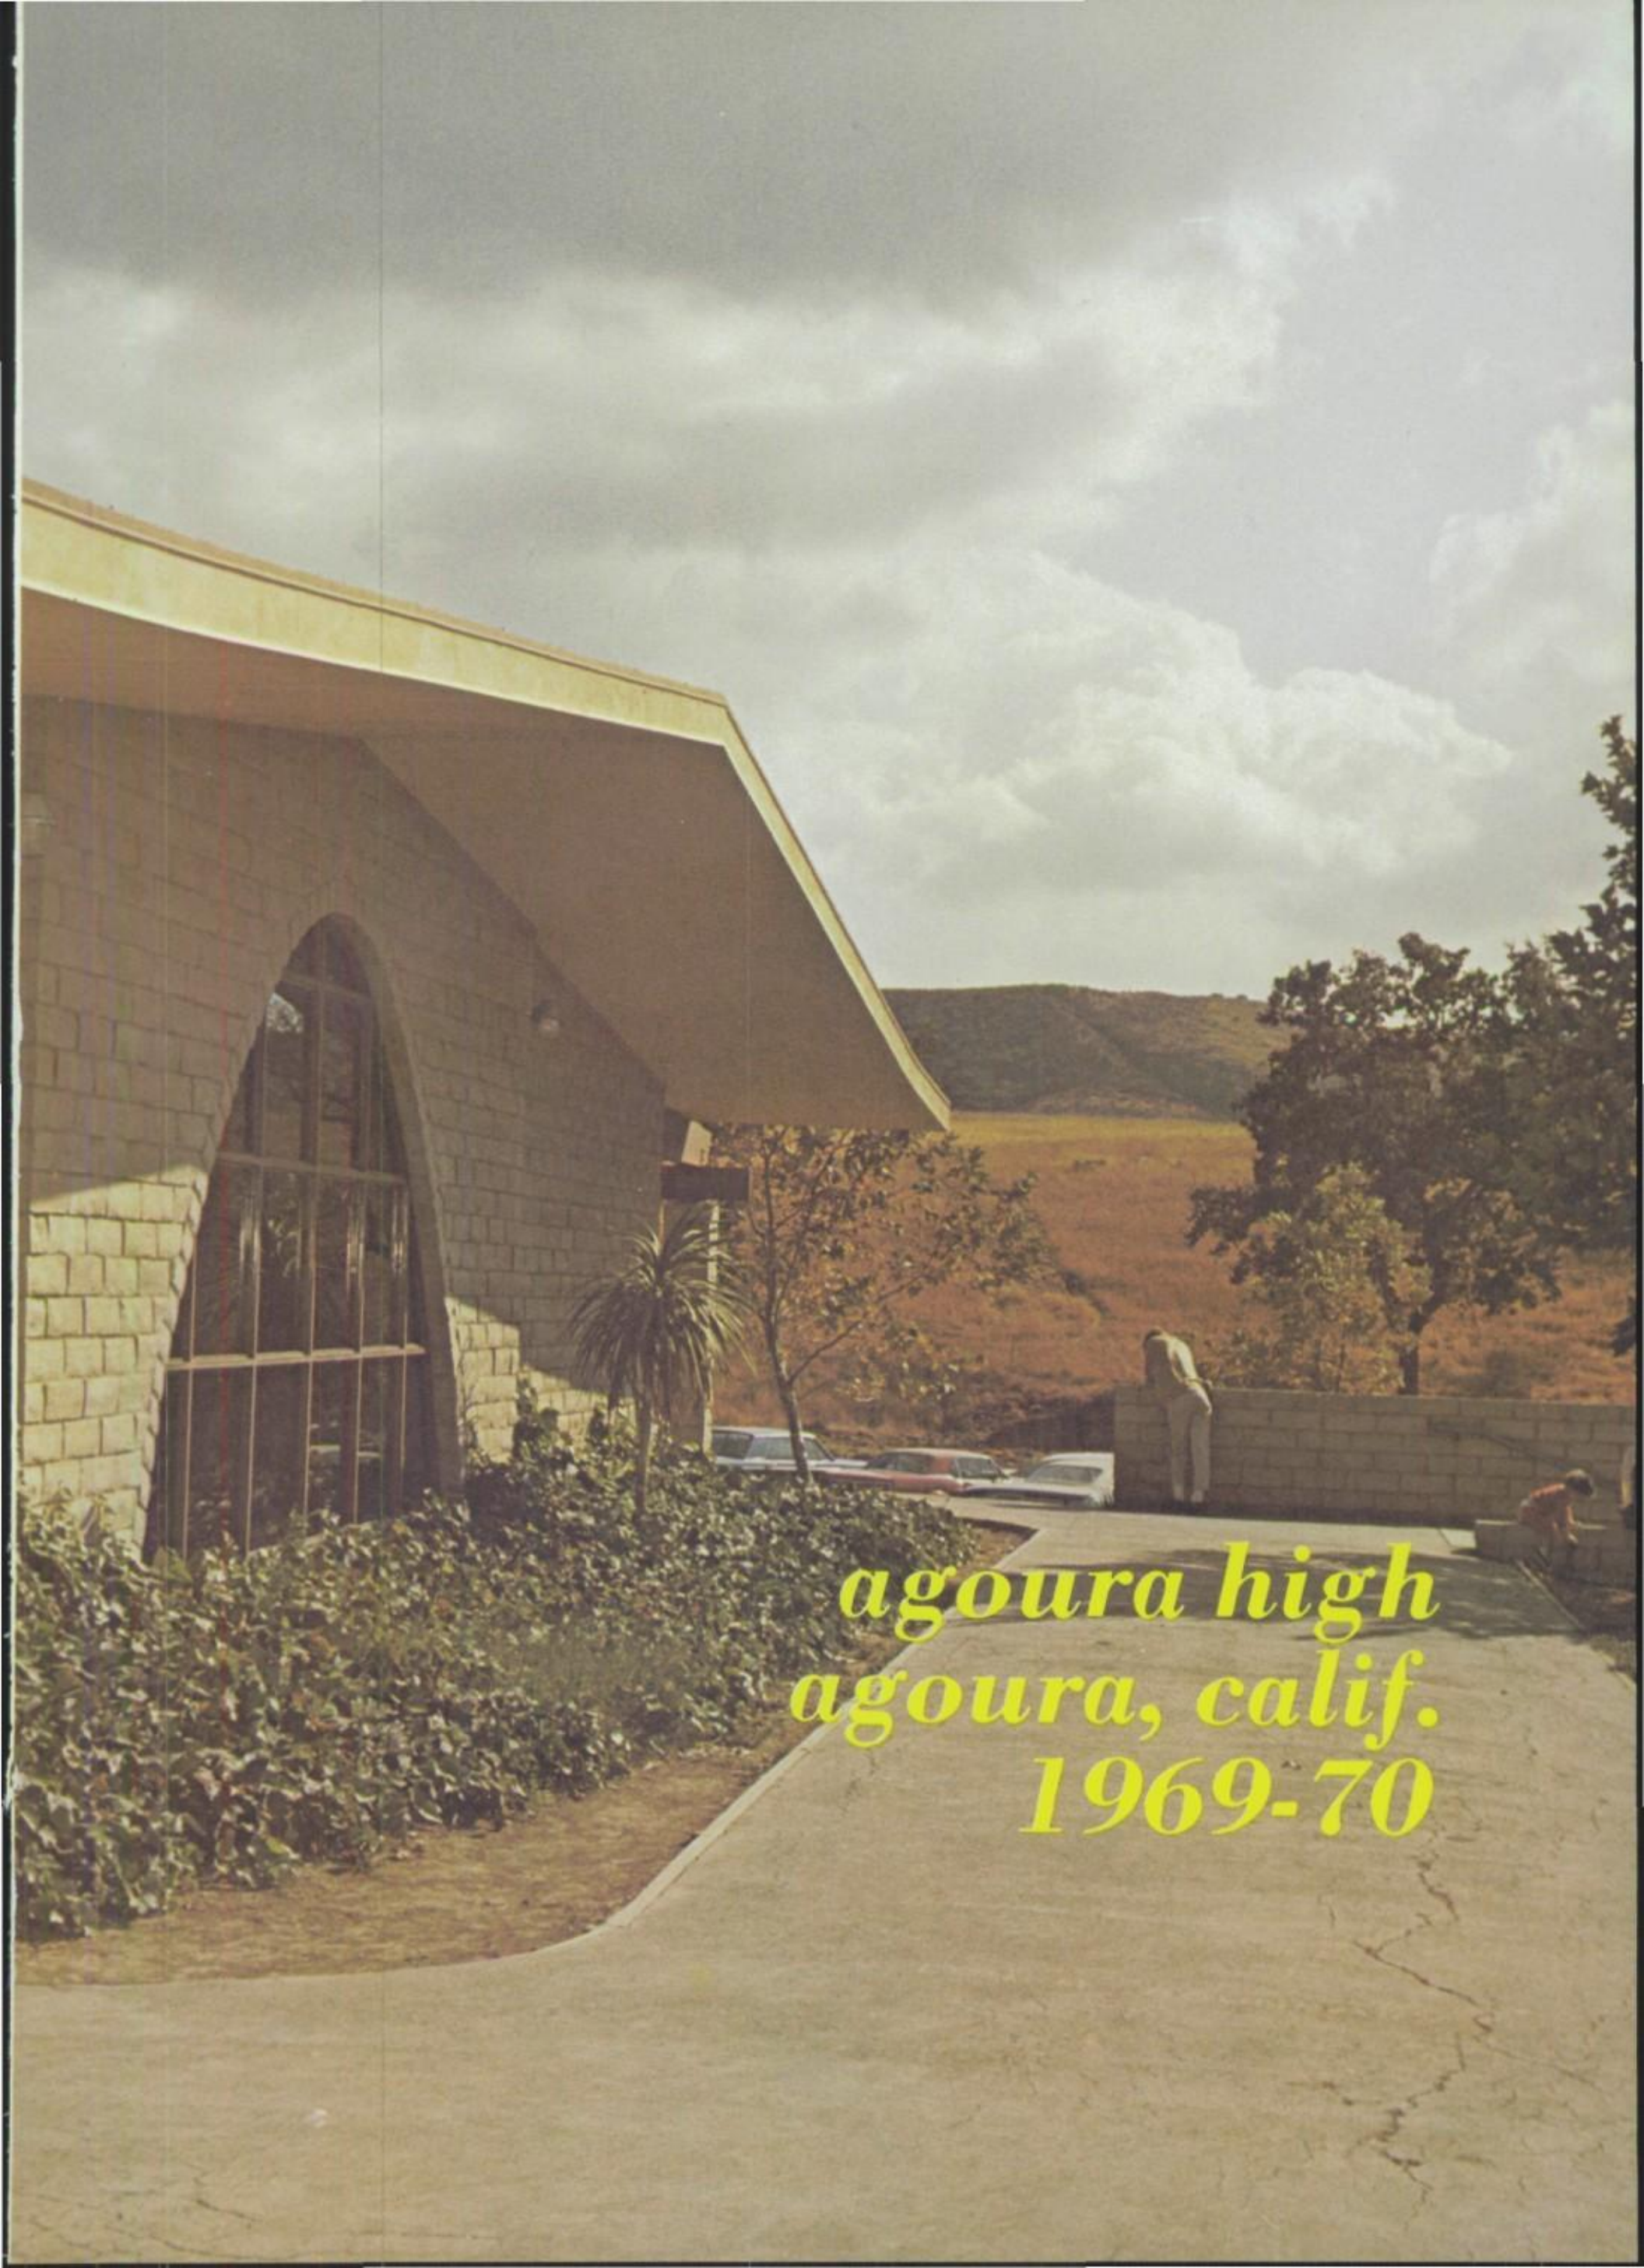

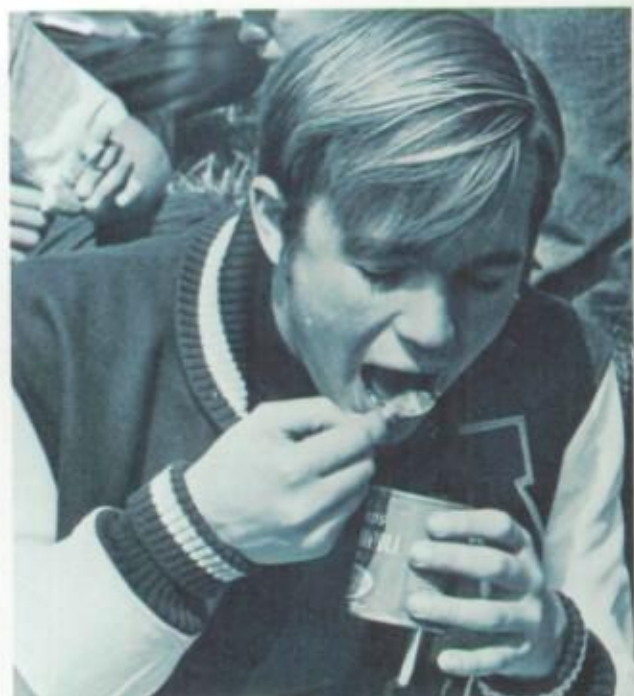

AGOURA HIGH SCHOOL

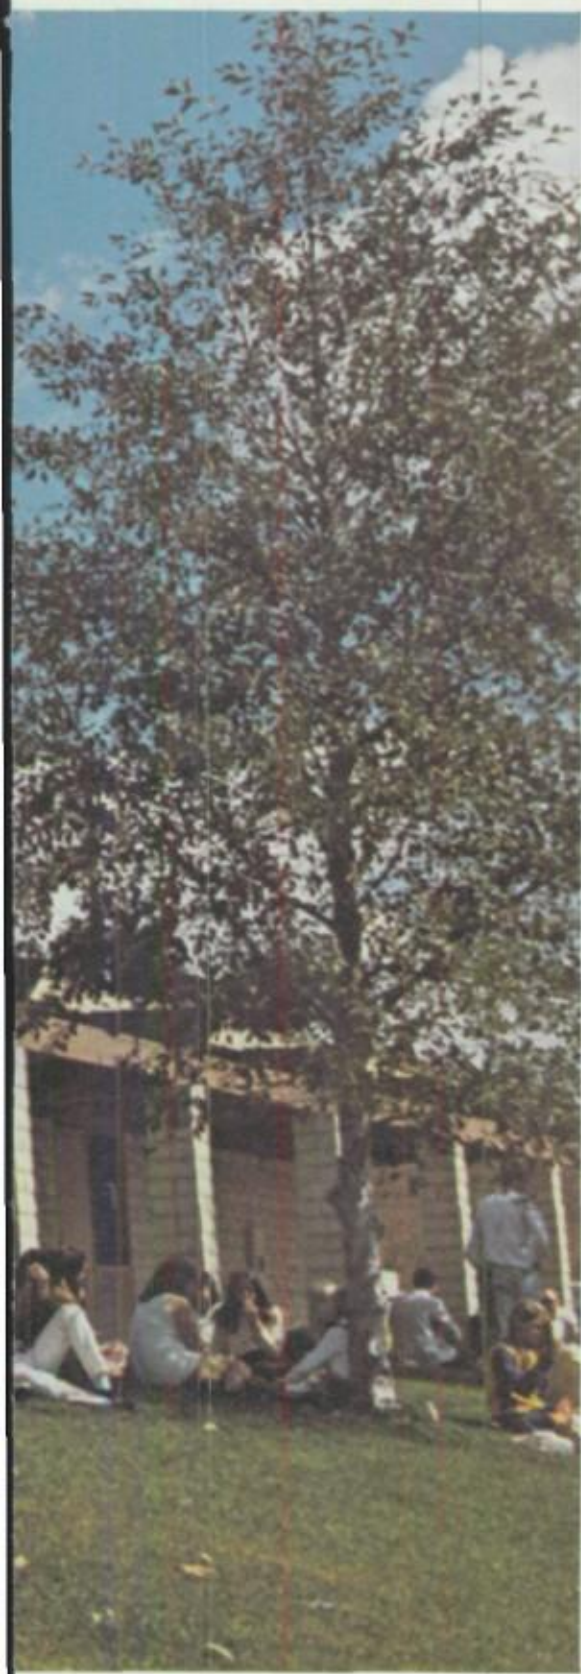

*agoura high
agoura, calif.
1969-70*

*Cloudy the sky is grey and white and cloudy
sometimes I think its hanging down on me*

Its a hitch hike a hundred miles

*I'm a rag a muffin child
with a finger painted smile*

I left my shadow waiting down the road for me awhile.

*Cloudy my thoughts are scattered and their cloudy
they have no borders, no boundaries*

*They echo and they swell from Tolstoy to Tinkerbelle
down from Berkley to Carmel*

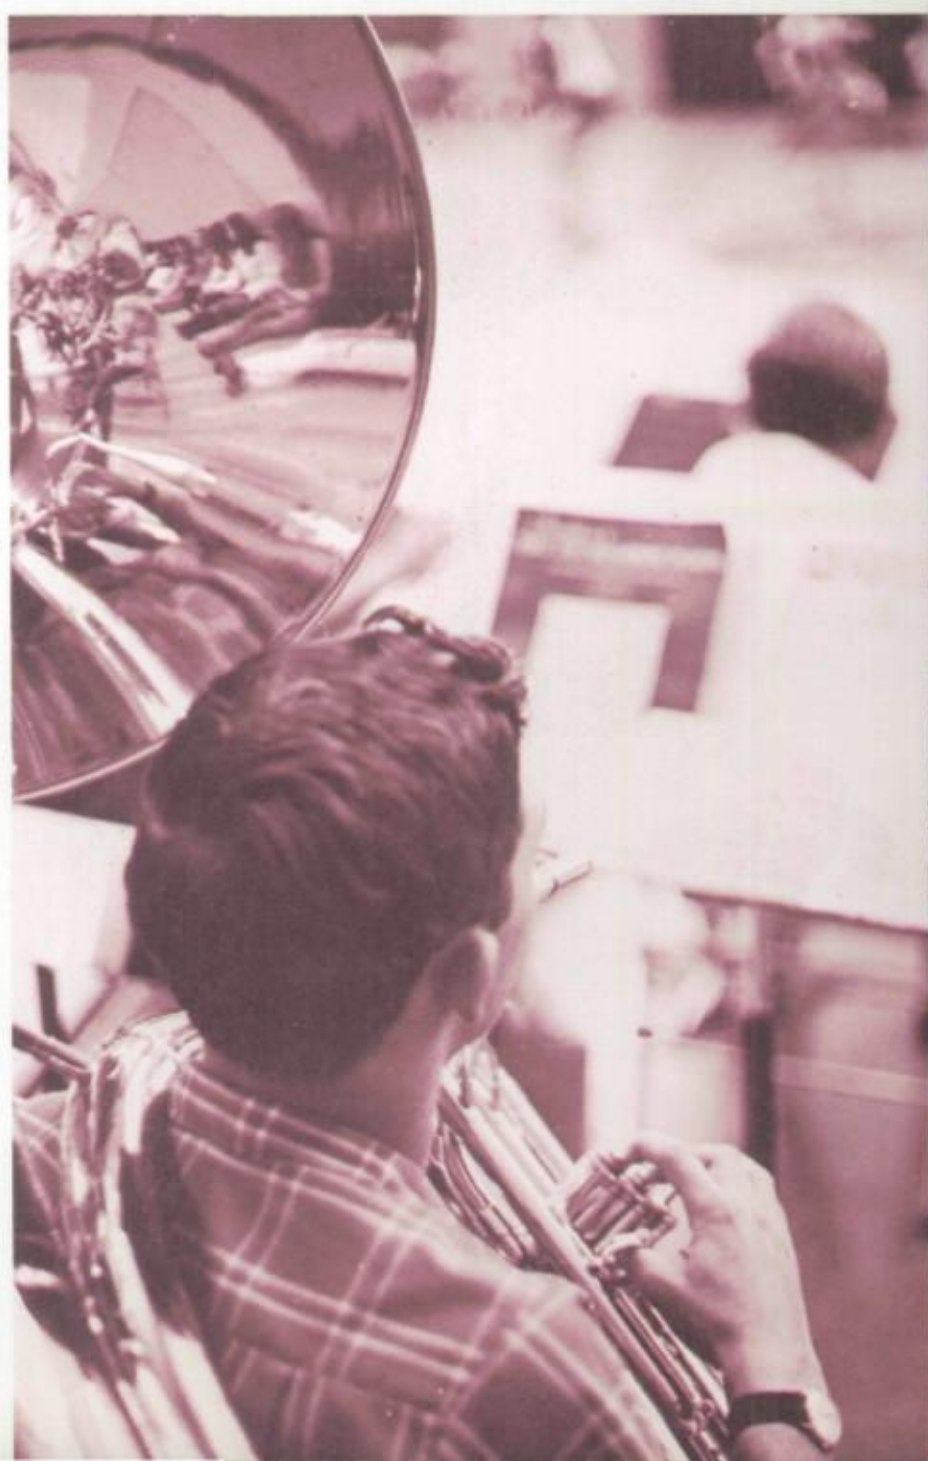

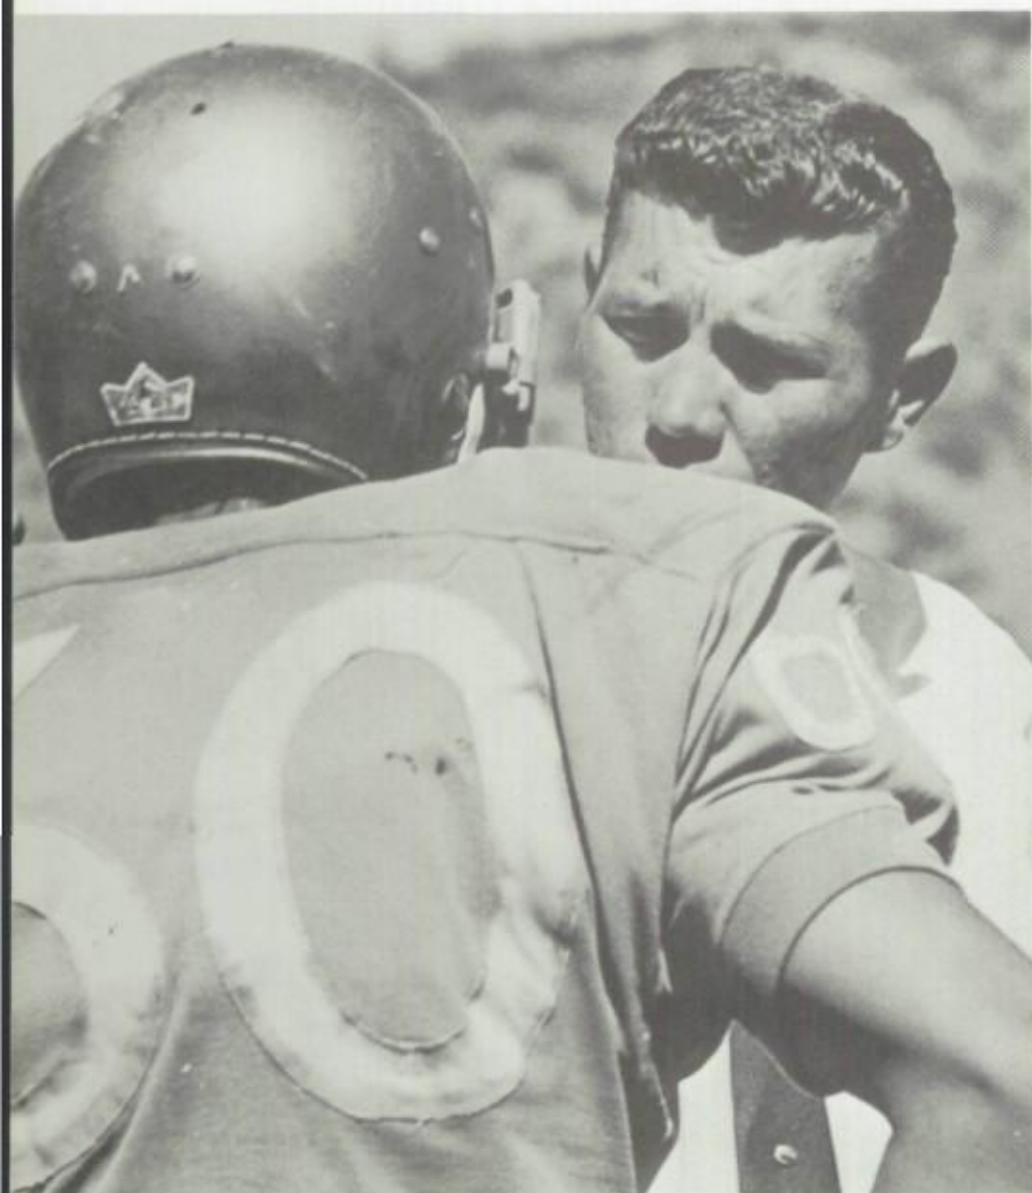

*got some pictures in my pocket and a lot of time to kill
hey sunshine I haven't seen you in a long time
why don't you show your face and bend my mind.*

*He's casting to the sky
like a floating question why
they linger there to die*

they don't know where their going and my friend neither do I.

1970 dedication

Versatile, dynamic, energetic are all adjectives that understate the personality of the individual to whom this year's QUIXOTIAN is dedicated. This person's energy and sincere interest in the welfare of students is contagious. One needs only to be around her for a few moments to feel the warmth of her personality. Student comments about her include statements such as "never talks down to students"; "has youthful ways"; "never a dull moment."

If communication is an art, then this teacher is truly a master artist. Her keen mind and penetrating insight have helped students, often, to go far beyond what they felt capable of achieving.

Enthusiasm to undertake innovative projects, as well as to motivate students to recognize that education can be enjoyable is reflected in her ability to always take a few extra minutes out of a busy schedule for students.

Her interests are almost too numerous to cite. Considered Agoura's "poet laureate," she has had much of her work published.

Completing her fourth year at Agoura, her credits are many. She has served as dean of curriculum and instruction, chairman of the English and Social Studies departments and chairman of Agoura's Accreditation Committee. Her contributions to the school have been notable. Her boundless energies in many capacities have helped to make Agoura the fine school it is. It is therefore with extreme gratitude and pleasure that we of the annual staff dedicate this year's QUIXOTIAN to Mrs. Bernadette Wehrly.

faculty & administration

mr. albert acton

principal's message

As we enter a new decade, the problems facing mankind appear monumental. Our environment, which for so many years has seemed limitless, is now in danger of being curtailed, if not depleted.

One of the most effective forces in combatting the enemies of both our society and our environment is an enlightened citizenry. With the growth of innovative excellence in academic areas at Agoura, our high school has more than kept pace.

By the end of the decade, Agoura will have reached its full physical and academic maturity. A maturity that I hope will make a significant contribution in aiding students to realize their responsibility to both their fellow man and their environment. I am fully confident that with this attitude, both faculty and students can look forward to challenge and fulfillment.

There were many varied Junior class highlights during the past year. The most memorable of which were the Junior-Senior Prom and the Homecoming Dance. The more popular events were the skating parties, which included spirited competition between classes and clubs. We are looking forward to a great Senior class next year.

Vice-President- Gary Creps

Treasurer- Mary Eubank

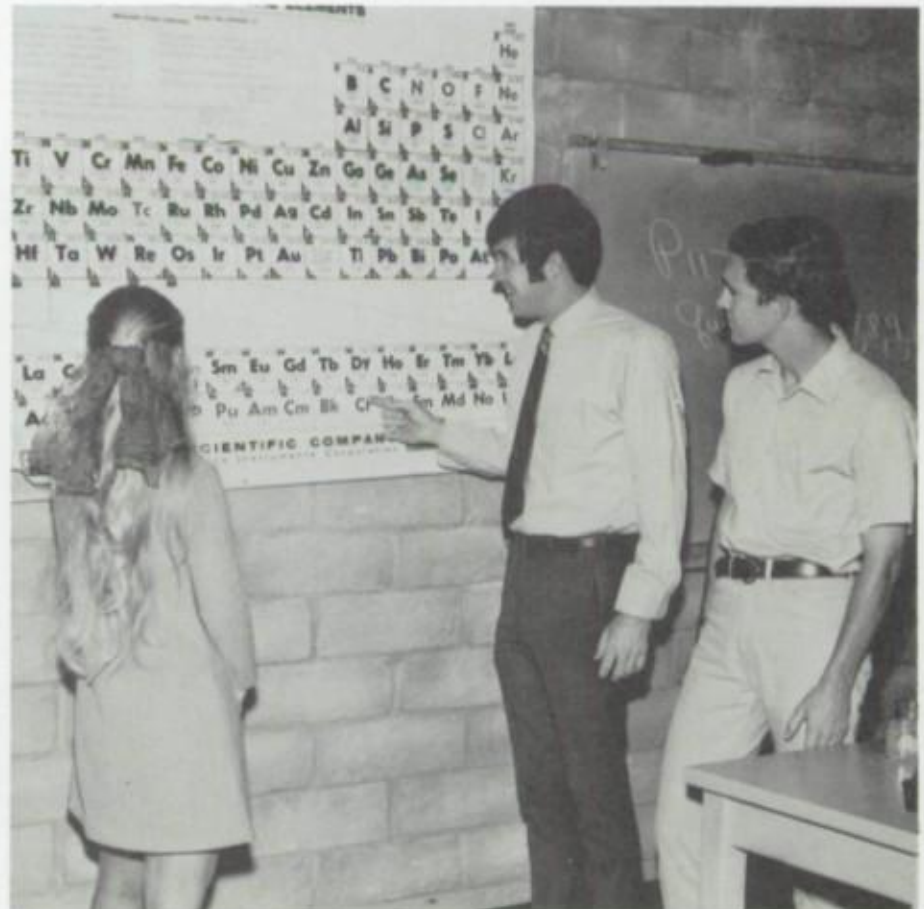

Secretary- Barbara Fischer

President- Steve Whitney

The Sophomore Class of 69-70 was one of the most spirited classes at Agoura. In all probability it was the most successful.

An AFS Welcome Dance started off the year pulling in the largest crowd of its kind. The Valentines Dance and a school movie provided highlights in the later part of the year.

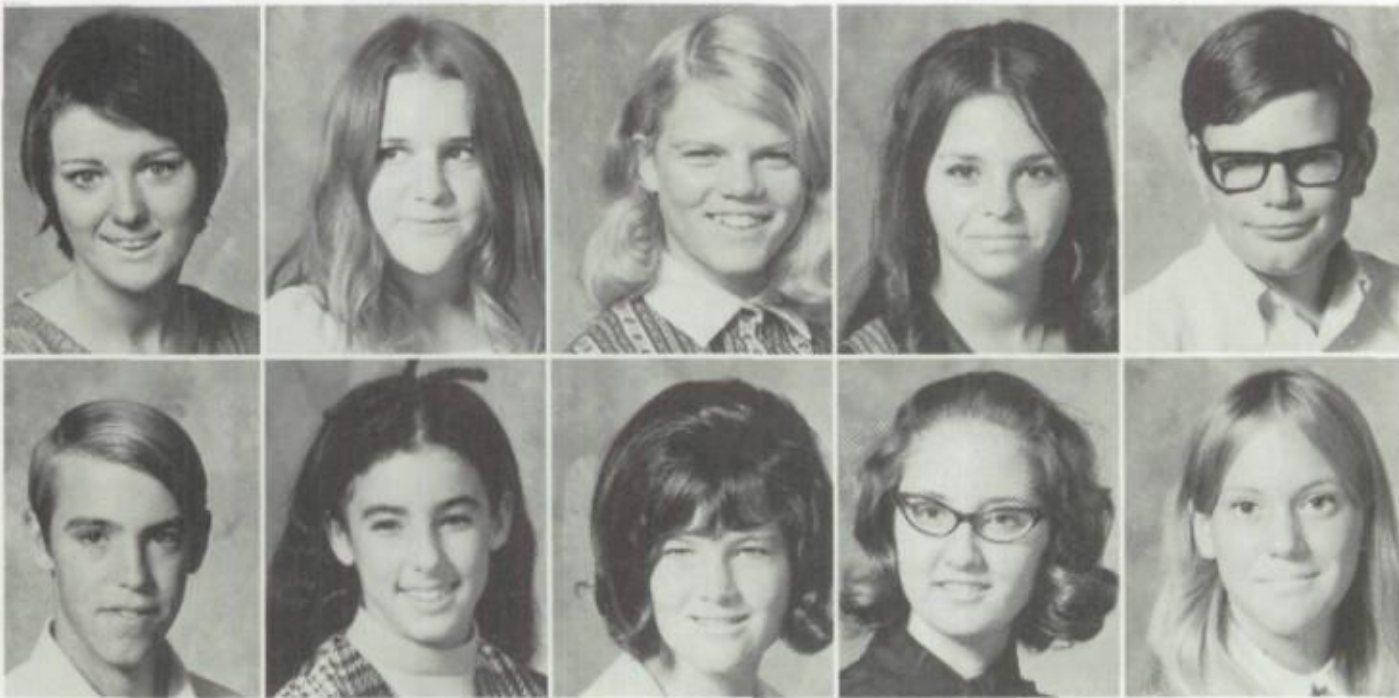

Looking to the future, there is probably no doubt that next year's prom will be the most successful, but only through the participation and spirit this class demonstrates.

freshmen

freshman class officers

Rather than, to say old words

I must find just the one.

For, to describe with used cliches

Is much too quickly done.

Our class is not just "good" or "great"

For neither is enough.

They're the ones that pulled us through

When times were really rough.

Many trying times were had

Along the bumpy road

Happy and exciting times

As well as bad were towed

Only some can understand

When there aren't words to say

Today, I cannot find the words

Tomorrow, someone may.

president mike gordon

It's impossible to adequately describe a year as stimulating, exciting, and full as my year as Student Body President has been. My thanks go to everyone who has been a part of the discussions, the arguments, the activities and all the other infinitely-varied events during this wild and woolly year.

Agoura High has arrived. The early years are over, and we are beginning to experience the size and complexity which the future holds. The tradition of excellence which we have tried to establish has taken root in this new Agoura, and I am confident of continuing success in all fields for AHS.

If I learned anything this year, I learned that we get the most out of life by living it as fully as possible. Get involved in student activities in every way you can; it makes school a lot more interesting. Good luck to all of you, especially next year's Student Council. They're in for an interesting time.

"Red Baron" of photog set.

The 1970 Quixotian staff assumed the job of putting together the largest and most colorful annual in the short history of Agoura High School. Comprising more than 200 pages and highlighting a 12-page color section, this year's annual graphically portrays the changes that have occurred in the school's physical and academic programs during the past 12 months. A talented and tireless staff, led by editor Pam Bowles and Assistant Editor Kathi Bargert, complemented each other to produce another milestone Agoura's short publication history. Most of the graphic excellence in the annual goes to the ingenuity and creativity of staff photographer Dave Simmert, who put in many extra curricular hours covering a variety of assignments.

exchange student has fond memories of agoura

Commenting on her second home as "beautiful, calm and peaceful," Lekha Paireepinath, Agoura's foreign exchange student from Thailand, is leaving for her native land with hopes of returning to California in the future.

During her stay at Agoura she has made many friends. She said, "Everyone is my good friend, not only students at school but most of the people I've met."

Lekha's schedule included typing, English, P.E., Government, Leadership, and physiology. Her favorite subject was physiology.

Commenting on high school in Thailand, Lekha pointed out that there is an 11th and 12th grade. After the 10th grade if a student doesn't go to high school he may go to a trade school such as a technical or business school. At the high school, a student chooses from either science or language. In the science field, he must take math analysis, geometry, chemistry, biology, physics, statistics, English, history, Thai, civics and geography. For the Languages he must take English, French, Thai, Thai Literature, geography, general science, statistics, history, civics. Students study these courses for two years and the exams include everything from the two years. There are three semesters. At the end of the third semester all the 12th graders in the country must take the same exams at the same time.

Lekha comes from a large family. Her father works in real estate, and her mother is a nurse. Her family lives in Khon Kaen.

agoura theatre

'70 spectacular

Mister Gilchrist and Ronald Boronkay study notes prior to actual performance

Agoura's talented Thespians brought to life the residents of a small American town on stage with the first play of the season, Thornton Wilder's "Our Town". Under the skilled hand of Mr. James Gilchrist, the moving and humorous saga of love, life, and death took form and played five nights to sell-out crowds.

Besides offering great entertainment to the audience, it offered a generous sample of the many fabulous things to come from this dedicated and hardworking part of our student body.

Agoura's fine theatrical department has indeed created a new zenith in this year's quality productions.

Participant in the gala wedding scene: On stage from right to left: Burce Wiese, Jim Wooley, Bart Goldsmith, John Winters, Robert Miller, Terry Sciarrino, Todd Jonz, Craig Gross, Keith Raddatz, and Ronald Boronkay. Four Below are: Dave Praetorius, Kathy Berger, Debra Keil, and George O'Hanlon.

performance

The towns folk, each and every one played to perfection, wave a fond farewell as newlyweds George and Emily take leave of the wedding.

Jim Wooley prepares to take the stage in magnificent portrayal of the aged Joe Stoddard

plus

Kathy Berger as Emily and Bruce Wiese as George test their talents in a moving scene of young, innocent love.

“charley’s aunt”

If the fabulous success and fantastic reviews given to "Our Town" had been received by any other high school dramatic class, they would have been content to sit on their laurels and savor the sweet taste of acclaim for many a day. However, the very talents that helped our great Dramatis Personae make a success of the play did indeed drive them on to produce even better plays, each one overshadowing the previous production. With experience under their belts and the courage it takes to face the uncertainty of the future and shape it into something to be remembered, they boldly produced the hilarious comedy, "Charley's Aunt" by Brandon Thomas. Then, even as the halls were still ringing with laughter, they set to work on not one but two projects destined to be recalled for years to come. These two new living works of art were, "The Cave Dwellers" and the equally immortal "Sound of Music" With the visages of memorable characters forever etched in the minds of the audiences, none can forget the characters brought to life with incomparable artistry by the Agoura High Drama Club.

"And now my boy"

two casts

Don Long offers a flower in an effort to capture Terry Sciarrino's heart.

Who would have thought that this fair
damsel was, in reality,

This?

"We must begin to think"

twice the laughs

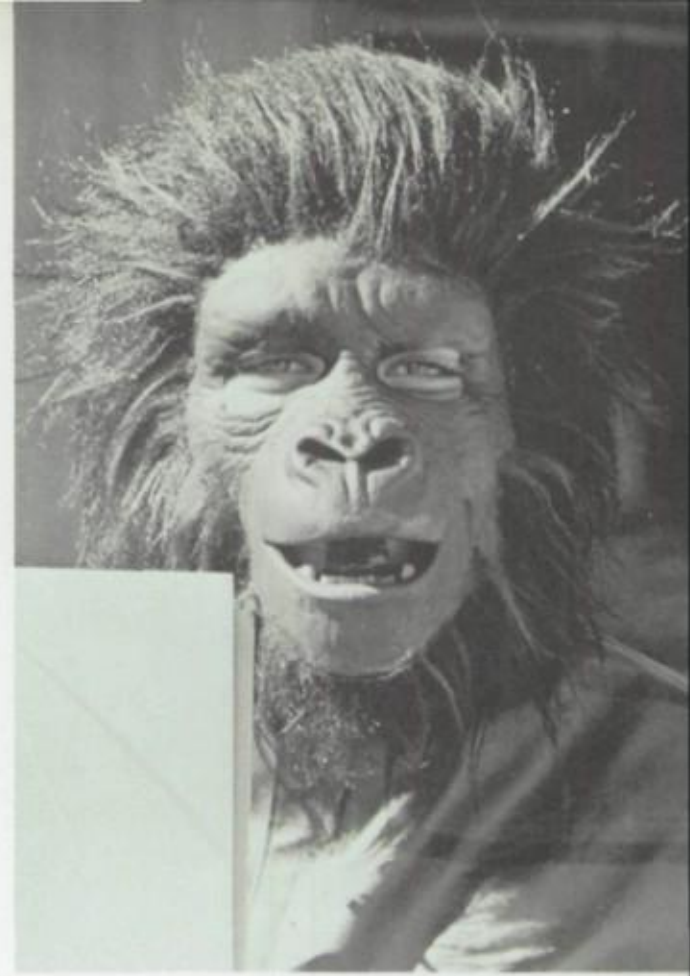

Still, true love comes through

With a fine block, Richardson breaks loose.

chargers grid

The Golden Chargers finished out their final year in the tough Tri-Valley League with respectability and pride. Their hard-earned 3-4 league and 4-5 season records are the best of any previous Agoura grid team. The Chargers also boasted the number one defensive unit in the league until the final game of the season. The Agoura offense shattered all previous Charger scoring and yardage records on their way to compiling 119-total points and a two-

VARSITY TRI-VALLEY LEAGUE CHAMPS

At the beginning of the 1969 season, the Agoura varsity cross country team set a definite goal for themselves: to retire the league championship trophy. Agoura's varsity harriers had won two consecutive dual-meet championships, in 1967 and 1968, and were out to retire the trophy in their last year in the Tri-Valley League.

The varsity runners accomplished their goal with a 7-0 league record. Close wins over Bishop Diego and Fillmore provided the highlights to an exciting season. To close off their three-year 20-1 Tri-Valley league record, Agoura's varsity harriers won their second consecutive league finals meet with fine performances by, Bob Schiowitz, Mike Gordon, Dave Schiowitz, Bob Bendbrooks, Scott Davis, Greg Higgins, and Mike Flint. Next year Agoura moves into the Frontier League and the cross country team looks for another fine season.

Agoura's junior varsity cross country team did not intend to let the varsity runners get all the glory in 1969. The JV harriers also went undefeated in league competition and won the junior varsity Tri-Valley-League finals meet to round off their best season in the school's history.

chargers last year in t.v.l.

Agoura High School has had a winning varsity basketball team since the school's first year. This year's team was no exception as they continued the winning tradition with an 8-6 record in league play. The team had to overcome many obstacles including the fact that there were no returnees from last year's team. The team got off to a poor start in the preseason but corrected itself by the opening game of the year and proceeded to win 3 of the first 4 games. After a mid-season slump, the team again rose to the occasion and averted a losing season by winning its last two games. Next season, Agoura will start play in a new league one step higher on the ladder. But they leave the Tri-Valley league establishing the name Agoura to be synonymous with good basketball.

Agoura's golf team was introduced three years ago to Agoura High. For the past two years, the team has held the Tri-Valley League championships. With this in mind, the team knows that it must win the championship one more time in order to retire the trophy to Agoura. There could be no better way to leave the T.V.L. next year, all of the sports teams move up to a bigger and more competitive league.

Varsity team members off to a home match.

A. Aldrich, H. McGurk; Not Pictured: B. Mitchell, D. Bernath, Mgr. R. Fletcher

After winning the Tri-Valley League Championship last year, Coach Smith set goals for this year's squad. With most of last year's team returning, he feels the team will again demonstrate its superiority. Early in the season, the Chargers went up against Leuzinger H.S., a 3A team, and won 90 to 74; Agoura also defeated Alemany, a 4A school, 106 to 54. With these victories behind them, the Charger Harriers are ready for a challenging and rewarding season.

Co-Capts. Vance and Schiowitz discuss entries with their coach.

harriers set the pace

agoura tennis teams show promising young talent

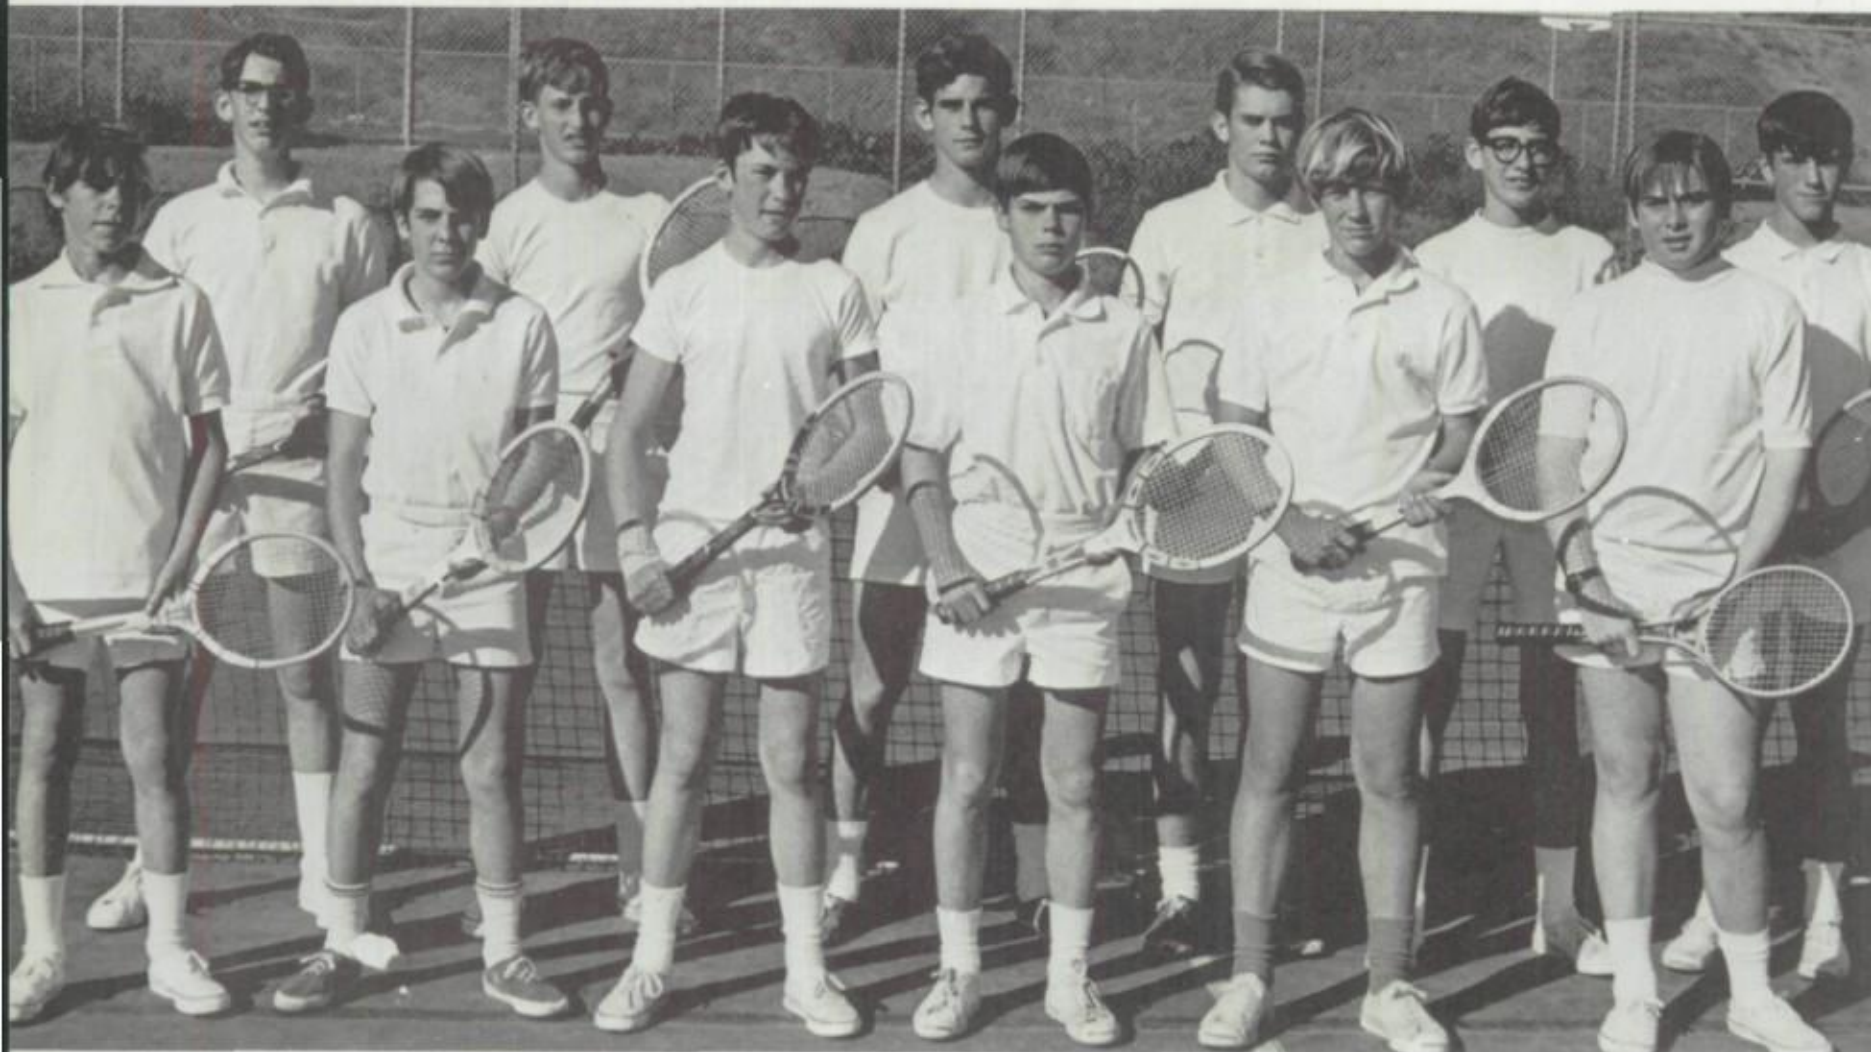

Front row, (l to r) M. Meltzer, R. Freed, D. Sanchez, S. Hansen Back row (l to r) S. McCarthy, K. Monroe, D. Dunn, S. Crumley, R. Hackley

The 1970 Agoura varsity and junior varsity tennis teams reflect promising young talent. Only two seniors are on the varsity while the JV's are mostly made up of 9th graders. Most of the team members are taking individual instructions at the Calabasas or Westlake Tennis Clubs. The singles line-up consists of Randy Hackley, 1st; Scott McCarthy, 2nd; Scott Crumley, 3rd; Kevin Monroe, 4th; Dave Sanchez, 5th. The first doubles team consists of Randy Freed and Marty Meltzer. The second doubles team is made up of Steve Hansen and Dennis Dunn.

well balanced pitching staff, key to winning season

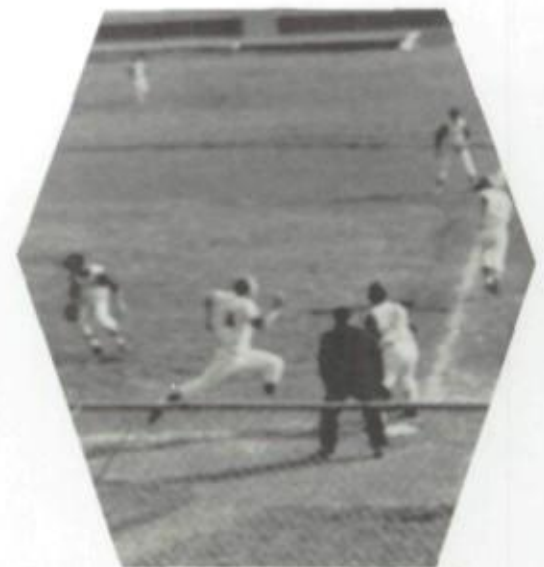

The 1970 Agoura High Baseball Team has done it again. The Golden Chargers were blessed with a great season. Many returning lettermen gave the team the initiative and techniques to win. Coach Bob LaBelle pushed his team to win, and they did. Seniors Randy Bye and Randy Jensen pitched their best for Charger victory. With the strong hitting power of Mick Nahan and Kent Hart, the Chargers had their best year yet.

athlete of the year

The Athlete-of-the-year is that person who is not only outstanding in a particular sport, but who also is an all-around varsity athlete. This is the first year that such an award has been presented.

Taking all of these qualifications into consideration, the varsity coaches selected Bob Schiowitz as the 1970 Agoura Athlete-of-the-year.

Bob has participated in three varsity teams in the 1969-70 season. In addition he was captain of the champion cross-country team, which won the Tri-Valley league championship three years in a row. Bob also added needed depth to the basketball team. This spring, he was captain of the Agoura Track Team and holds the school record in the two-mile, one-mile, and 1320-yard races. The "Quixotian" congratulates Bob for this well deserved honor.

Not pictured: L. Wambaugh, D. McCleery, D. McCleery, B. Fischer, C. Brown, M. Maddock, Y. Bettar, D. Helm, A. Siamas.

"Gotta beat that ball to the base!!!"

The girls softball team pushed off to a great start this year with the 5th period GAA class right behind it. With a promising season in sight, more girls have come this year than in previous years, although only a select few are accepted. The freshmen gave the upperclassmen stiff competition in gaining places on the team, but coach Mrs. Aldrich says that her team, no matter who plays, plays for a most victorious season.

girls track squad sets the pace

from
the
editor

With this issue of the "Quixotian" Agoura High has reached a new milestone. The 1970 Quixotian is not only the largest, but the first to have many pages of color since the yearbook staff initiated its first Quixotian in 1965.

The assembly of an annual can be hard, tiresome and often frustrating. With this year's staff and team work throughout the year, the job has been fun and challenging.

I wish to thank Kathi Bargert last year's editor for helping this year and spending many hours planning the book with me. I also extend my thanks to Sandy Nielsen, Becky Edland, Larry Frank, Janet McClain, Gretchen Meloth, Bob Adams, George Nicol, Brian Cambell, Bob Golden, Sheila MacDonald and Dave Simmert whose many pictures we have used throughout the years.

My sincerest thanks are extended to Mr. Payden. His friendship and everlasting patience with us helped us the most in our efforts on the 1970 Quixotian.

Sincerely,

Pam Bowles
Editor-in-Chief

Graduates: Planning to get a job now?

We have a wide variety of interesting, steady work for men and women. The starting salary is a good one. Even if you haven't had job experience, we can help you match your talents to one of the many different jobs in our growing communications business. We'll add to that — training at full pay, pleasant working conditions, friendly people to work with. When you're ready to put your ability and ambition to work, see your employment counselor. Or check with us.
